## "I give myself away so you can use me..."

This song brings home how I feel about my relationship with God. In my 17 years as a disciple, I have had the pleasure of using my talents to serve in many ways in GOD's kingdom. I've had the chance to travel to many places serving with HOPE and also with Swamp Corps. In 2010 I framed this quote: "One thing I know: The only ones among you who will be really happy are those who will have sought and found how to serve." I am so blessed at this time in my life that I am able use my nursing skills to serve. 2 Corinthians 5:14 says 'for Christ's love compels us, because we are convinced that one died for all and therefore all died.' I strive daily to live my life this way, pleasing Him. Every day I am encouraged by his love and his gift of sacrifice. (2 Corinthians 9:12-15) I am grateful each and every day for the chance to give back what was given to me. I am truly blessed and amazed with how God continues to use my life in my travels and servitude to the poor. I plan to continue to serve and love others as Christ has loved me. To GOD be the glory!

Your Sister In Christ,  
Barbara Ann Warnock
